

# WONDERWORKS™

## Science Week

Join us February 19 - 23, 2018

**Monday, February 19th • The Muzium Presents: Beyond Rubix Cube**

Learn about algorithms, your brain's reaction time, depth perception and more with fun brain teasers and puzzles.

Shows at 11:00am & 1:00pm

**Tuesday, February 20th • Meet CNY Drone**

Want to know more about drones? Experience drones up close and see what it is like to fly a drone through a drone simulator.

Shows at 11:00am & 1:00pm

**Wednesday, February 21st • Egg Drop Competition**

With an egg drop tool kit and your imagination work with your family to safely transport an egg 3 floors down!

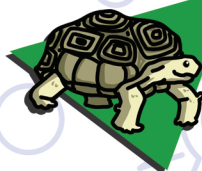

Start construction anytime between 11:00am and 1:30pm, the Last Egg Drops at 2pm!

**Thursday, February 22nd • Microsoft Presents: Measuring Speed with Hotwheels**

Join us for a hands-on STEM learning experience featuring Hot Wheels. You will measure speed to understand forces and motion!

Shows at 11:00am & 1:00pm

**Friday, February 23rd • The Wild**

Participate in this unique opportunity to come up-close and personal with wild animals, including this year's newest addition to the presentation, a bearcat!

Shows at 12:00pm & 1:30pm
